IEEE Education Week™

IN PARTNERSHIP WITH

Celebrate Education from IEEE

11-19 APRIL 2026

IEEE Education Week is a weeklong celebration of educational opportunities provided by the world's largest technical professional association and its organizational units, societies and councils.

Whether you are:

- an engineer or technology professional
- a university student or faculty member
- a pre-university teacher or STEM enthusiast

... we invite you to discover the many educational opportunities and resources available from IEEE.

Join us for:

- Local and regional activities
- Webinars and virtual events
- Online courses
- Scholarships
- Competitions
- Tech talks
- Virtual networking events
- Free and discounted content from across the globe
